

University of Texas Health Science Center at Houston
2009-2010 Cost of Attendance

The Cost of Attendance (COA) is a **reasonable average** of a student's educational and living expenses for the period of enrollment. The COA sets limits on the total aid that a student may receive, and it is generally the sum of tuition/fees, books and supplies, room and board, transportation, and personal/miscellaneous expenses. Federal, state, institutional and other resources cannot exceed the cost of attendance. The COA may be used by students to financially prepare to meet their educational expenses.

The COA budgets are based on a 12-month period of enrollment.

**For periods less than 12-months, the budget is prorated according to the actual period of enrollment. (Asterisk identifies periods less than 12-months)*

****TOTALs are based on RESIDENT tuition.*
